"Actively Developing, Maintaining, and Promoting Coronado Heights Since 1919"

We need your support now more than ever!

In the midst of raising funds for phase two, which was replacing drainage pipes, diverting water away from the road, and applying a chip seal surface, excessive rain this spring caused a land slip. The road dropped more than three feet, which also caused the 18' memorial to lean to the point of the once buried base to now sticking out of the ground.

Your donation is much needed to get this park back in a safe and pleasant state for all to enjoy. Thank You!
